C. DETAILS REGARDING THE DIVIDEND DISTRIBUTION IN THE FORM OF NEW SHARES TO BE ISSUED.

ALLOTMENT OF NEW SHARES

At its meeting held on 8 November 2013, the Board of Directors of the Company decided to distribute a dividend of €0.05 per share in the form of shares, with an issue price of €0.17 per share (the 'Issue Price'). The decision of the Board of Directors to distribute a dividend in the form of shares from the profits of the year 2011 will have to be approved by a special resolution at an Extraordinary General Meeting of the shareholders of the Company, that will take place at Le Meridien Limassol Spa & Resort hotel in Limassol, on Thursday 5 December 2013 at 10:00 a.m.

The 'Issue Price', has been determined based on the nominal value of the share. The issue of new shares to shareholders as a dividend will be based on the net payable dividend. The amount of the net payable dividend to be distributed to each shareholder will not be paid in cash but will be used for the full payment of new ordinary shares of the Company that will be issued at the Issue Price and will be allocated as fully paid shares to the shareholders. The actual number of shares to be issued to each shareholder will be determined by the division of the amount of net payable dividend in the form of shares corresponding to each shareholder by the Issue Price for each ordinary share of the Company. Where the number of shares to be allocated to each shareholder is a fractional number, then if this number is less than $\frac{1}{2}$ it will be ignored, but if this number equals or is greater than $\frac{1}{2}$ then one additional whole share will be granted.

The new shares resulting from the issue will be allocated to existing shareholders on the payment date of the dividend. The Company will take all necessary actions for the listing and simultaneous commencement of trading of the new shares on the Cyprus Stock Exchange (CSE) which is expected to commence within three weeks from the date of payment of the dividend.

Rights/Dividends of new shares

The new shares to be issued will have the same rights with the existing shares and will be entitled to participate fully in any future dividend.
